Item 1.01

Entry into a Material Definitive Agreement

Effective on June 28, 2018, the Company terminated its private offering of up to \$10,000,000 of its securities, consisting of up to 3,333,333 shares of its common stock, par value \$0.001 per share ("Common Stock"), at \$3.00 per share, which was initiated in October 2016.

On June 29, 2018, the Company initiated a new private offering of its securities to certain prospective accredited investors, including certain members of the Board of Directors and/or their respective affiliates, in reliance upon the exemptions provided in the Securities Act of 1933, as amended (the "Securities Act"), including Regulation D, Rule 506(b) (the "Notes Offering"), consisting of up to \$2,000,000 of secured convertible promissory notes (the "Notes"), and two-year warrants (the "Note Warrants") to purchase up to 2,000,000 shares of Common Stock. The Notes Offering will terminate on July 31, 2018, unless extended by the Company, and may consist of one or more closings.

The Notes bear interest at 10% annually, payable quarterly in arrears, maturing two years from the date of issuance, and may be prepaid by the Company, without penalty or premium, at any time prior to maturity. Further, the Notes are secured by the assets of the Company and its subsidiaries. In addition to other customary terms, the Notes will automatically convert into shares of Common Stock, if and when the Company issues securities at a price per share of less than \$3.00 per share, at a conversion price per share equal to such lower price.

The Note Warrants are exercisable into shares of Common Stock by the holder thereof within 2 years of issuance, at an exercise price of \$1.00 per share. In addition, the Note Warrants are subject to adjustment upon the occurrence of specified events including, but not limited to, a payment of certain stock dividends, a subdivision or combination of the Company's outstanding shares of Common Stock, a reclassification of the Common Stock, a consolidation or merger of the Company, a sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange affecting the Company.

Between June 29, 2018 and July 2, 2018, the Company closed on \$1,250,000 in proceeds from the Notes Offering, and thereafter issued Notes having an aggregate principal balance of \$1,250,000 and Note Warrants to purchase, in the aggregate, up to 1,250,000 shares of Common Stock. Michael T. Smith, an accredited investor and member of our Board of Directors, invested in the Notes Offering.

The foregoing descriptions of the Notes and Note Warrants do not purport to be complete and are qualified in their entirety by reference to the full text of the Notes and Note Warrants filed as Exhibits 10.1 and 10.2 hereto, respectively, and are incorporated herein by reference.

To date, the aggregate gross proceeds received in connection with the Notes Offering equal \$1,250,000, and proceeds net of commission were \$1,212,500. Commissions in connection with the Notes Offering investment totaled \$37,500 in the aggregate. The Company intends to use the proceeds from the Notes Offering for growing its sales and distributor networks, general corporate purposes and working capital, acquisitions of assets, or expansion of its existing product lines, businesses or operations.

The Company is providing this report in accordance with Rule 135c under the Securities Act, and the notice contained herein does not constitute an offer to sell the Company's securities, and is not a solicitation for an offer to purchase the Company's securities. The securities offered have not been registered under the Securities Act, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.

Item 2.03

Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Reference is made to the disclosure set forth under Item 1.01 above, which disclosure is incorporated herein by reference.

Item 3.02**Unregistered Sales of Equity Securities**

Reference is made to the disclosure set forth under Item 1.01 above, which disclosure is incorporated herein by reference.

The Company has sold the securities in a private transaction in reliance on the exemption from registration afforded by Section 4(a)(2) of the Securities Act and Regulation D promulgated thereunder since, among other things, the above transaction did not involve a public offering. Additionally, the Company relied on similar exemptions under applicable state laws. The Holders had access to information about the Company and their investments, took the securities for investment and not resale, and the Company took appropriate measures to restrict the transfer of the securities. Upon issuance, the resale of the securities will not be registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

ZERO GRAVITY SOLUTIONS, INC.

10% SECURED CONVERTIBLE PROMISSORY NOTE

Dated: _____, 2018

FOR VALUE RECEIVED ZERO GRAVITY SOLUTIONS, INC., a company organized under the laws of Nevada (the “Company”), hereby promises to pay to _____ (the “Payee”), or [his/her/its] registered assigns, the principal amount of _____ Dollars (\$ _____ USD) together with interest thereon calculated from the Interest Commencement Date (as hereinafter defined) in accordance with the provisions of this 10% Secured Convertible Promissory Note (as amended, modified and supplemented from time to time, this “Note” and together with any other Notes issued in the Offering (as hereinafter defined) or upon transfer or exchange, the “Notes”). The Company is offering Notes and Common Stock Purchase Warrants (the “Warrants”) to certain Members of the Board of Directors of the Company and other “accredited investors” as such term is defined in Rule 501(i) of Regulation D promulgated under the Act (the “Offering”).

Certain capitalized terms are defined in Section 9 hereof.

1. Payment of Interest. Interest shall accrue at a rate equal to ten percent (10%) per annum (the “Interest Rate”) beginning the date the Payee submitted funds in respect of this Note (“Interest Commencement Date”) on the unpaid principal amount of this Note and shall be payable quarterly in arrears with the first interest payment due one quarter after closing and each quarter thereafter. All payments of interest shall be in cash. In no event shall any interest to be paid under the Notes exceed the maximum rate permitted by law. In any such event, the Note shall automatically be deemed amended to permit interest charges at an amount equal to, but not greater than, the maximum rate permitted by law. Interest shall be computed on the basis of the actual number of days elapsed and a 360-day year.

2. Maturity Date. The entire principal amount of this Note and all accrued but unpaid interest thereon shall be due and payable in full in cash in immediately available funds twenty-four months from the date of issuance (such date, the "Maturity Date") upon the tender of such Note by Payee.

3. Conversion.

(i) In the event that the Company issues Common Stock at a price per share of less than \$3.00, the price per share offered by the Company in its recently closed offering which commenced on August 15, 2016, as extended and supplemented from time to time (the "Subsequent Lower Price"), then all principal and interest due and owing under this Note shall automatically convert at a conversion price per share equal to the Subsequent Lower Price (the "Conversion Event"); provided, however, that this conversion section 3 shall not apply to the following: (i) any issuances of Common Stock due to the exercise of Warrants issued pursuant to this Offering; or (ii) any issuances of securities pursuant to the Company's Stock Option Plan.

(ii) The Company shall promptly notify the Holder of a Conversion Event and the amount of the Subsequent Lower Price. Upon receipt of the Company's notice, the Holder shall promptly deliver a dated and signed notice of conversion (the "Notice of Conversion"), a copy of which is attached to this Note as *Exhibit A*, to the Company's Chairman or Chief Executive Officer at the Company's principal place of business. The Notice of Conversion shall be accompanied by the original Note.

(iii) As soon as possible after the conversion has been effected (but in any event within two (2) Business Days), the Company or acquirer shall deliver to the converting holder a certificate or certificates representing the shares of Common Stock issuable by reason of such conversion in such name or names and such denomination or denominations as the converting holder has specified. In the event that the Payee elects to tender this Note to the Company for immediate repayment, such payment shall be delivered to the Payee within five (5) Business Days to the address provided by the Payee to the Company at the time of the surrender of this Note.

(iv) The issuance of shares of Common Stock upon conversion of this Note shall be made without charge to the holder hereof in respect thereof or other cost incurred by the Company or acquirer in connection with such conversion. Upon conversion of this Note, the Company shall take all such actions as are necessary in order to ensure that Common Stock issuable upon conversion of the Note shall be validly issued, fully paid and nonassessable.

(v) Neither the Company nor acquirer shall close its books against the transfer of this Note in any manner which interferes with the timely conversion of this Note. The Company shall assist and cooperate with any holder of this Note required to make any governmental filings or obtain any governmental approval prior to or in connection with the conversion of this Note (including, without limitation, making any filings required to be made by the Company).

(vi) The Company shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of issuance upon conversion hereunder, such number of shares of Common Stock issuable upon conversion. All shares of such capital stock which are so issuable shall, when issued, be duly and validly issued, fully paid and nonassessable and free from all taxes, liens and charges. The Company shall take all such actions as may be necessary to assure that all such shares of capital stock may be so issued without violation of any applicable law or governmental regulation or any requirements of any domestic securities exchange upon which such shares of capital stock.

4. Prepayment. The principal and unpaid interest due and owing under this Note may be prepaid, in whole or in part, at any time without penalty or premium.

5. Seniority. This Note is secured indebtedness of the Company and shall be secured by a first priority lien on all the assets of the Company and its subsidiaries, as more fully detailed in Section 11 of this Note.

6. Method of Payments.

(i) Payment. So long as the Payee or any of its nominees shall be the holder of any Note, and notwithstanding anything contained elsewhere in this Note to the contrary, the Company will pay all sums for principal, interest, or otherwise becoming due on this Note held by the Payee or such nominee not later than 1:00 p.m. New York time, on the date such payment is due, in immediately available funds, in accordance with the payment instructions that the Payee may designate in writing, without the presentation or surrender of such Note or the making of any notation thereon. Any payment made after 1:00 p.m. New York time, on a Business Day will be deemed made on the next following Business Day. If the due date of any payment in respect of this Note would otherwise fall on a day that is not a Business Day, such due date shall be extended to the next succeeding Business Day, and interest shall be payable on any principal so extended for the period of such extension. All amounts payable under this Note shall be paid free and clear of, and without reduction by reason of, any deduction, set-off or counterclaim. The Company will afford the benefits of this Section to the Payee and to each other Person holding this Note.

(ii) Transfer and Exchange. Upon surrender of any Note for registration of transfer or for exchange to the Company, in accordance with the terms hereof, at its principal office, the Company at its sole expense will execute and deliver in exchange therefor a new Note or Notes, as the case may be, as requested by the holder or transferee, which aggregate principal amount is equal the unpaid principal amount of such Note, registered as such holder or transferee may request, dated so that there will be no loss of interest on the Note and otherwise of like tenor; provided that this Note may not be transferred by Payee to any Person other than Payee's affiliates without the prior written consent of the Company (which consent shall not be unreasonably withheld or delayed). The issuance of new Notes shall be made without charge to the holder(s) of the surrendered Note for any issuance tax in respect thereof or other cost incurred by the Company in connection with such issuance, provided that each Noteholder shall pay any transfer taxes associated therewith. The Company shall be entitled to regard the registered holder of this Note as the holder of the Note so registered for all purposes until the Company or its agent, as applicable, is required to record a transfer of this Note on its register.

(iii) Replacement. Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of any Note and, in the case of any such loss, theft or destruction of any Note, upon receipt of an indemnity reasonably satisfactory to the Company or, in the case of any such mutilation, upon the surrender and cancellation of such Note, the Company, at its expense, will execute and deliver, in lieu thereof, a new Note of like tenor and dated the date of such lost, stolen, destroyed or mutilated Note.

7. Covenants of the Company. The Company covenants and agrees as follows:

(i) Consolidation, Merger and Sale. With the exception of a reverse merger transaction, the Company will not sell or otherwise dispose of (or permit any subsidiary to sell or otherwise dispose of) a material portion of its property or assets in one or more transactions for so long as any of the Notes remain outstanding.

(ii) Use of Proceeds. The Company shall use the proceeds of the Notes only for general working capital purposes and not to redeem or make any payment on account of any securities of the Company.

(iii) Notes. All Notes shall be on the same terms and shall be in substantially the same form. All payments to the holder of any Note shall be made to all holders of Notes, pro rata, based on the aggregate principal amount plus accrued but unpaid interest outstanding on such Notes at such time.

8. Events of Default. If any of the following events take place before or on the Maturity Date (each, an “Event of Default”), Payee at its option may declare all principal and accrued and unpaid interest thereon and all other amounts payable under this Note immediately due and payable; provided, however, that this Note shall automatically become due and payable without any declaration in the case of an Event of Default specified in clause (iii) or (v), below:

- (i) Company fails to make payment of the full amount due under this Note upon the tender of such Note following the Maturity Date;
- (ii) A receiver, liquidator or trustee of Company or any substantial part of Company’s assets or properties is appointed by a court order;

(vi) Proceedings for the appointment of a receiver, trustee or custodian of the Company or of all or a substantial part of the assets or property thereof, or an involuntary case or other proceedings seeking liquidation, reorganization or other relief with respect to the Company or the debts thereof under any bankruptcy, insolvency or other similar law now or hereafter in effect shall be commenced and an order for relief entered or such proceeding shall not be dismissed or discharged within sixty (60) days of commencement;

(vii) Company makes a formal or informal general assignment for the benefit of its creditors, or admits in writing its inability to pay debts generally when they become due, or consents to the appointment of a receiver or liquidator of Company or of all or any part of its property;

(viii) An attachment or execution is levied against any substantial part of Company's assets that is not released within thirty (30) days;

(ix) Company dissolves, liquidates or ceases business activity, or transfers any major portion of its assets other than in the ordinary course of business; provided that this paragraph (ix) shall not apply to any contemplated real estate transaction; or

(x) Any material inaccuracy or untruthfulness of any representation or warranty of the Company set forth in this Note, the Subscription Agreement or the Offering Documents.

11. Security Interest.

(i) Creation of Security Interest. In order to secure the payment of the principal and interest and all other obligations of the Company hereunder now or hereafter owed by the Company to Payee pursuant to this Note (the “Secured Obligations”), the Company hereby grants to Payee (or its designee) (the “Secured Party”) a first priority security interest (the “Security Interest”) in the property of the Company and its subsidiaries described below (the “Collateral”) on the terms and conditions set forth in this Note:

(ii) Sale or Removal of Collateral Prohibited. Except for the sale of inventory in the ordinary course of the Company's business, the Company shall not sell, lease, encumber, pledge, mortgage, assign, grant a security interest in, or otherwise transfer the Collateral without the written consent of Payee, which consent shall not be unreasonably withheld.

(iii) Uniform Commercial Code Security Agreement. This section is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the items specified above as part of the Collateral which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Company hereby grants Payee a security interest in said items. The Company agrees that Payee may file any appropriate document in the appropriate index or filing office as a financing statement for any of the items specified above as part of the Collateral and the Company shall reimburse Payee for all fees and expenses associated with such filing. In addition, the Company agrees to execute and deliver to Payee, upon Payee's request, any financing statements, as well as extensions, renewals and amendments thereof, and reproductions of this Agreement in such form as Payee may reasonably require to perfect a security interest with respect to said items. The Company shall pay all costs of filing such financing statements and any extensions, renewals, amendments, and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements Payee may reasonably require. Without the prior written consent of Payee, the Company shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in the Collateral, other than the Security Interests of Secured Party, including replacements and additions thereto. Upon the occurrence of an Event of Default, each Secured Party shall have the remedies of a Payee under the Uniform Commercial Code and, at Secured Party's option, may also invoke the other remedies provided in this Note as to such items. In exercising any of said remedies, Secured Party may proceed against the items of real property and any items of personal property specified above as part of the Collateral separately or together and in any order whatsoever, without in any way affecting the availability of Secured Party's remedies under the Uniform Commercial Code or of the other remedies provided in this Agreement.

(iv) Rights of Secured Party. Upon an Event of Default, Secured Party may require the Company to assemble the Collateral and make it available to Secured Party at the place to be designated by Secured Party which is reasonably convenient to the parties. Secured Party may sell all or any part of the Collateral as a whole or in parcels either by public auction, private sale, or other method of disposition. Secured Party may bid at any public sale on all or any portion of the Collateral. Unless the Collateral is perishable or threatens to decline speedily in value or is of the type customarily sold on a recognized market, Secured Party shall give the Company reasonable notice of the time and place of any public sale or of the time after which any private sale or other disposition of the Collateral is to be made, and notice given at least 10 days before the time of the sale or other disposition shall be conclusively presumed to be reasonable. A public sale in the following fashion shall be conclusively presumed to be reasonable:

(a) Notice shall be given at least 10 days before the date of sale by publication once in a newspaper of general circulation published in the county in which the sale is to be held;

(b) The sale shall be held in a county in which the Collateral or any part is located or in a county in which the Company has a place of business;

(c) Payment shall be in cash or by certified check immediately following the close of the sale;

(d) The sale shall be by auction, but it need not be by a professional auctioneer; and

(e) The Collateral may be sold as is and without any preparation for sale.

(v) Sale of Collateral. Notwithstanding any provision of this Agreement, Secured Party shall be under no obligation to offer to sell the Collateral. In the event Secured Party offer to sell the Collateral, Secured Party will be under no obligation to consummate a sale of the Collateral if, in their reasonable business judgment, none of the offers received by them reasonably approximates the fair value of the Collateral. In the event Secured Party elects not to sell the Collateral, Secured Party may elect to follow the procedures set forth in the Uniform Commercial Code for retaining the Collateral in satisfaction of the Company's obligation, subject to the Company's rights under such procedures.

(vii) Appointment of Receiver. In addition to the rights under this Agreement, in the Event of Default by the Company, Secured Party shall be entitled to the appointment of a receiver for the Collateral as a matter of right whether or not the apparent value of the Collateral exceeds the outstanding principal amount of the Notes and any receiver appointed may serve without bond. Employment by Secured Party shall not disqualify a person from serving as receiver.

(viii) Additional Rights of Secured Party. The Company shall execute and deliver to Secured Party concurrently with the Company's execution and delivery of this Agreement and at any time thereafter at the reasonable request of Secured Party, all financing statements, continuation financing statements, fixture filings, security agreements, mortgages, pledges, assignments, endorsements of certificates of title, applications for title, affidavits, reports, notices, schedules of accounts, letters of authority, and all other documents that Secured Party may reasonably request, in form reasonably satisfactory to Secured Party, to perfect and maintain perfected Secured Party's continuing security interests in the Collateral and in order to fully consummate all of the transactions contemplated under the Offering Documents, the Company hereby authorizes Secured Party to file and/or record such financing statements and other documents as Secured Party deems reasonably necessary to perfect and maintain Secured Party's continuing security interest in the Collateral, including, but not limited to, any and all filings recognized by the United States Patent and Trademark Office for the purposes of perfecting a security interest in any Collateral that is considered intellectual property of the Company. The Company agree any such financing statements may contain an "all asset" or "all property" description of the Collateral.

(ix) Termination of Security Interest. The Security Interest shall terminate when all the Secured Obligations have been fully and indefeasibly paid in full, at which time all Uniform Commercial Code termination statements and similar documents which the Company shall reasonably request to evidence such termination shall be executed.

12. Amendment and Waiver. The provisions of this Note may not be modified, amended or waived, and the Company may not take any action herein prohibited, or omit to perform any act herein required to be performed by it, without the written consent of the holders of a majority of the then outstanding principal amount of all similar convertible notes issued in the Company's Offering; provided, however, that any amendment to this Note which (i) changes the Interest Rate in Section 1 hereof, (ii) changes the Maturity Date in Section 2 hereof or (iii) adversely affects the Payee's ability to convert or to refrain from converting this Note in its sole discretion pursuant to Section 3 hereof, must be approved in writing by the holders of 100% of the then outstanding principal amount of all similar convertible notes issued in the Offering (including this Note).

13. Remedies Cumulative. No remedy herein conferred upon the Payee is intended to be exclusive of any other remedy and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise.

14. Remedies Not Waived. No course of dealing between the Company and the Payee or any delay on the part of the Payee in exercising any rights hereunder shall operate as a waiver of any right of the Payee.

15. Assignments. The Payee may assign, participate, transfer or otherwise convey this Note and any of its rights or obligations hereunder or interest herein to any affiliate of Payee and to any other Person that the Company consents to (such consent not to be unreasonably withheld or delayed), and this Note shall inure to the benefit of the Payee's successors and assigns. The Company shall not assign or delegate this Note or any of its liabilities or obligations hereunder.

16. Headings. The headings of the sections and paragraphs of this Note are inserted for convenience only and do not constitute a part of this Note.

17. Severability. If any provision of this Note is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Note will remain in full force and effect. Any provision of this Note held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.

18. Cancellation. After all principal, premiums (if any) and accrued interest at any time owed on this Note have been paid in full, or this Note has been converted this Note will be surrendered to the Company for cancellation and will not be reissued.

19. Maximum Legal Rate. If at any time an interest rate applicable hereunder exceeds the maximum rate permitted by law, such rate shall be reduced to the maximum rate so permitted by law.

20. Place of Payment and Notices. Unless otherwise stated herein, payments of principal and interest are to be delivered to the Noteholder of this Note at the address provided by the Payee in the Subscription Agreement, or at such other address as such Noteholder has specified by prior written notice to the Company. No notice shall be deemed to have been delivered until the first Business Day following actual receipt thereof at the foregoing address.

21. Governing Law and Venue. This Agreement shall be construed and interpreted in accordance with the laws of the State of Nevada, without reference to such State's conflicts of laws principles. Any legal suit, action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby shall be instituted exclusively in a court of competent jurisdiction located in the County of Palm Beach, Florida. The parties hereto hereby: (i) waives any objection which they may now have or hereafter have to the venue of any such suit, action or proceeding, and (ii) irrevocably consents to the courts of competent jurisdiction in the County of Palm Beach, Florida in any such suit, action or proceeding. The Company is offering Notes and Common Stock Purchase Warrants (the “Warrants”) to certain Members of the Board of Directors of the Company and other “accredited investors” as such term is defined in Rule 501(i) of Regulation D promulgated under the Act (the “Offering”).

Certain capitalized terms are defined in Section 9 hereof.

1. Payment of Interest. Interest shall accrue at a rate equal to ten percent (10%) per annum (the “Interest Rate”) beginning the date the Payee submitted funds in respect of this Note (“Interest Commencement Date”) on the unpaid principal amount of this Note and shall be payable quarterly in arrears with the first interest payment due one quarter after closing and each quarter thereafter. All payments of interest shall be in cash. In no event shall any interest to be paid under the Notes exceed the maximum rate permitted by law. In any such event, the Note shall automatically be deemed amended to permit interest charges at an amount equal to, but not greater than, the maximum rate permitted by law. Interest shall be computed on the basis of the actual number of days elapsed and a 360-day year.

2. Maturity Date. The entire principal amount of this Note and all accrued but unpaid interest thereon shall be due and payable in full in cash in immediately available funds twenty-four months from the date of issuance (such date, the "Maturity Date") upon the tender of such Note by Payee.

3. Conversion.

(i) In the event that the Company issues Common Stock at a price per share of less than \$3.00, the price per share offered by the Company in its recently closed offering which commenced on August 15, 2016, as extended and supplemented from time to time (the "Subsequent Lower Price"), then all principal and interest due and owing under this Note shall automatically convert at a conversion price per share equal to the Subsequent Lower Price (the "Conversion Event"); provided, however, that this conversion section 3 shall not apply to the following: (i) any issuances of Common Stock due to the exercise of Warrants issued pursuant to this Offering; or (ii) any issuances of securities pursuant to the Company's Stock Option Plan.

(ii) The Company shall promptly notify the Holder of a Conversion Event and the amount of the Subsequent Lower Price. Upon receipt of the Company's notice, the Holder shall promptly deliver a dated and signed notice of conversion (the "Notice of Conversion"), a copy of which is attached to this Note as *Exhibit A*, to the Company's Chairman or Chief Executive Officer at the Company's principal place of business. The Notice of Conversion shall be accompanied by the original Note.

(iii) As soon as possible after the conversion has been effected (but in any event within two (2) Business Days), the Company or acquirer shall deliver to the converting holder a certificate or certificates representing the shares of Common Stock issuable by reason of such conversion in such name or names and such denomination or denominations as the converting holder has specified. In the event that the Payee elects to tender this Note to the Company for immediate repayment, such payment shall be delivered to the Payee within five (5) Business Days to the address provided by the Payee to the Company at the time of the surrender of this Note.

(iv) The issuance of shares of Common Stock upon conversion of this Note shall be made without charge to the holder hereof in respect thereof or other cost incurred by the Company or acquirer in connection with such conversion. Upon conversion of this Note, the Company shall take all such actions as are necessary in order to ensure that Common Stock issuable upon conversion of the Note shall be validly issued, fully paid and nonassessable.

(v) Neither the Company nor acquirer shall close its books against the transfer of this Note in any manner which interferes with the timely conversion of this Note. The Company shall assist and cooperate with any holder of this Note required to make any governmental filings or obtain any governmental approval prior to or in connection with the conversion of this Note (including, without limitation, making any filings required to be made by the Company).

(vi) The Company shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of issuance upon conversion hereunder, such number of shares of Common Stock issuable upon conversion. All shares of such capital stock which are so issuable shall, when issued, be duly and validly issued, fully paid and nonassessable and free from all taxes, liens and charges. Any payment made after 1:00 p.m. New York time, on a Business Day will be deemed made on the next following Business Day. If the due date of any payment in respect of this Note would otherwise fall on a day that is not a Business Day, such due date shall be extended to the next succeeding Business Day, and interest shall be payable on any principal so extended for the period of such extension. All amounts payable under this Note shall be paid free and clear of, and without reduction by reason of, any deduction, set-off or counterclaim. The Company will afford the benefits of this Section to the Payee and to each other Person holding this Note.

(ii) Transfer and Exchange. The issuance of new Notes shall be made without charge to the holder(s) of the surrendered Note for any issuance tax in respect thereof or other cost incurred by the Company in connection with such issuance, provided that each Noteholder shall pay any transfer taxes associated therewith. The Company shall be entitled to regard the registered holder of this Note as the holder of the Note so registered for all purposes until the Company or its agent, as applicable, is required to record a transfer of this Note on its register.

(iii) Replacement. Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of any Note and, in the case of any such loss, theft or destruction of any Note, upon receipt of an indemnity reasonably satisfactory to the Company or, in the case of any such mutilation, upon the surrender and cancellation of such Note, the Company, at its expense, will execute and deliver, in lieu thereof, a new Note of like tenor and dated the date of such lost, stolen, destroyed or mutilated Note.

12. Amendment and Waiver. The provisions of this Note may not be modified, amended or waived, and the Company may not take any action herein prohibited, or omit to perform any act herein required to be performed by it, without the written consent of the holders of a majority of the then outstanding principal amount of all similar convertible notes issued in the Company's Offering; provided, however, that any amendment to this Note which (i) changes the Interest Rate in Section 1 hereof, (ii) changes the Maturity Date in Section 2 hereof or (iii) adversely affects the Payee's ability to convert or to refrain from converting this Note in its sole discretion pursuant to Section 3 hereof, must be approved in writing by the holders of 100% of the then outstanding principal amount of all similar convertible notes issued in the Offering (including this Note).

13. Remedies Cumulative. 14. Remedies Not Waived. No course of dealing between the Company and the Payee or any delay on the part of the Payee in exercising any rights hereunder shall operate as a waiver of any right of the Payee.

15. Assignments.
